

Purchase Order Terms and Conditions - POTC2002

1. PARAGRAPH 1 - GENERAL

- 1.1 The following TERMS AND CONDITIONS POTC2002 ("TERMS AND CONDITIONS") form an integral part of any Purchase Order and its annexes, (the "ORDER"), issued by General Dynamics European Land Systems - Steyr, AT-1110 Vienna, Austria, ("GDELS-STEYR"), and placed with the supplier, (the "SUPPLIER"), covering the manufacturing and / or supply of material and services, ("MATERIAL"). These TERMS AND CONDITIONS alone do not create any obligation for GDELS- STEYR to purchase MATERIAL from SUPPLIER.
- 1.2 Written confirmation of acceptance of the ORDER shall be provided to GDELS-STEYR by the SUPPLIER within five working days after receipt, and this written acceptance shall establish the agreement ("AGREEMENT"), entered into between GDELS-STEYR and the SUPPLIER regarding the supply of the MATERIAL by the SUPPLIER to GDELS-STEYR. In the absence of any such written confirmation and acceptance, any action taken by SUPPLIER in fulfilment of the ORDER shall be conclusive evidence of SUPPLIER's confirmation of acceptance.
- 1.3 Any ORDER shall be issued in writing, and any modifications and amendments to the ORDER, the AGREEMENT and / or the TERMS AND CONDITIONS, as well as any of the SUPPLIER's own general terms and conditions shall be applicable and binding only if expressly acknowledged in writing by GDELS-STEYR.
- 1.4 In case of contradiction between the ORDER / AGREEMENT and these TERMS AND CONDITIONS, the specific conditions stipulated in the ORDER shall prevail.
- 1.5 These TERMS AND CONDITIONS shall prevail over any of the SUPPLIER's own general terms and conditions, referenced in quotations, order acknowledgments and invoices or otherwise.
- 1.6 The ORDER and the terms of this AGREEMENT constitutes the entire agreement between GDELS-STEYR and the SUPPLIER with respect to the matters contained in the AGREEMENT and supersedes all prior oral or written representations and agreements.
- 1.7 The term "Week" is to be understood as seven (7) calendar days.

2. PARAGRAPH 2 - PRICE BASIS / TERMS OF PAYMENT

- 2.1 The SUPPLIER shall manufacture and / or deliver the MATERIAL and render the services in accordance with the AGREEMENT and the quantity and quality and technical specifications provided therein. Unless otherwise stipulated in the AGREEMENT, export / import licences / authorisations necessary for the export / import of the MATERIAL shall be the responsibility of the SUPPLIER.
- 2.2 Unless otherwise stipulated in the AGREEMENT, all prices in the AGREEMENT are valid net, for inspected MATERIAL, properly packed for transportation and preservation, and marked in accordance with the requirements of GDELS-STEYR, delivered DAP GDELS-STEYR, Vienna (INCOTERMS 2010).
- 2.3 Unless otherwise stipulated in the AGREEMENT, all prices are fixed. Delivery delays and changes in the wage rates or the raw material prices may not result in price adjustments.
- 2.4 The AGREEMENT can be price- audited by GDELS-STEYR's customer or the end-customer or its delegate. SUPPLIER gives the auditors of the end-customer an unrestricted right for audition of pre- and post-calculatory pricing.
- 2.5 Unless otherwise stipulated in the AGREEMENT, payment shall be made at GDELS-STEYR's option either by check, bank transfer or in another way acceptable in accordance with business practices, and in EURO.

- 2.6 Unless mutually agreed in writing to the contrary in the AGREEMENT, payments for MATERIAL hereunder shall become payable only after acceptance, in accordance with Paragraph 11 hereunder, demonstrating compliance of the MATERIAL with the requirements of the AGREEMENT. In case of acceptance demonstrating compliance of the MATERIAL with the requirements of the AGREEMENT the invoice shall become due thirty (30) days after receipt of invoice by GDELS-STEYR.
- 2.7 Neither the SUPPLIER nor any third party may allocate the payments by GDELS-STEYR to invoices other than those indicated by GDELS-STEYR.
- 2.8 If, following written information by GDELS – STEYR to the SUPPLIER, the MATERIAL is returned to the SUPPLIER due to non-fulfilment or faulty fulfilment, and SUPPLIER has already been partly or fully paid by GDELS-STEYR, a full refund shall become due and payable to GDELS-STEYR upon return receipt of the MATERIAL by the SUPPLIER.
- 2.9 Any reference made to international trade terms will be interpreted in accordance with the relevant term of INCOTERMS 2010.

3. PARAGRAPH 3 - DELIVERY TERM / DELAY IN DELIVERY

- 3.1 Delivery shall be effected strictly in accordance with the delivery schedule established in the AGREEMENT, and the SUPPLIER warrants that the MATERIAL will be delivered in accordance with such delivery schedule.
- 3.2 The SUPPLIER shall immediately notify GDELS-STEYR in writing if, for whatever reason, the date of the delivery as stipulated in the AGREEMENT cannot or may not be met. This notification will not release the SUPPLIER from his obligation to fulfil the AGREEMENT in accordance with the agreed delivery schedule. The SUPPLIER shall send with any such notification a recovery plan which shall indicate a recovery delivery schedule with respective quantities. GDELS-STEYR will assess the recovery plan and decide whether to accept or reject the proposed schedule. Acceptance of the recovery plan by GDELS-STEYR does not substitute the original delivery schedule and does not exempt the SUPPLIER to pay penalties and damages as stated under Paragraph 4.

4. PARAGRAPH 4 - PENALTY AND TERMINATION

- 4.1 Unless otherwise stipulated in the AGREEMENT, the SUPPLIER shall, irrespectively of any fault on the part of the SUPPLIER, be unconditionally obligated to pay a penalty for any delay in delivery in accordance with the terms of this Paragraph 4. Furthermore, in case of non-fulfilment or faulty fulfilment of the AGREEMENT by the SUPPLIER, the terms of the Austrian law of obligation are applicable.
- 4.2 The penalty period begins on the seventh (7.) day to be counted from the first day after the day on which SUPPLIER should have delivered the MATERIAL in accordance with the AGREEMENT.
- 4.3 The penalty is 0.5% of the value of the delayed delivery for each week of delay.
- 4.4 The first penalty will be due on the seventh (7.) day to be counted from the beginning of the penalty period as described in Paragraph 4.2. The first day of the penalty period is included in the calculation of the seven (7) days. All further penalties will be due on each seventh (7.) day to be calculated from the due date of the first penalty.
- 4.5 Notwithstanding Paragraph 4.3, if the SUPPLIER is in arrears with part of a complete unit, the penalty shall be based on the price of the complete unit or set to be delivered by the SUPPLIER, if this unit cannot be placed into service because of the delayed delivery. (Example: if 100 left wheels and 100 right wheels are ordered, but only 100 left wheels delivered, the penalty will be based on the value of all 200 wheels).

- 4.6 Payment of a penalty will not release the SUPPLIER from his obligation to fulfil the AGREEMENT in accordance with the specifications and schedules set forth in the AGREEMENT.
- 4.7 GDELS-STEYR is entitled to account the penalty at any time partly or entirely against the SUPPLIER's claims against GDELS-STEYR, or to request payment of the penalty by the SUPPLIER. Not applying this right to claim the penalty immediately does not indicate GDELS-STEYR's waiver to do so at a later date.
- 4.8 If the SUPPLIER does not meet the agreed delivery dates, and after the grace period of 1 week has elapsed from the original delivery date, GDELS-STEYR is entitled to cancel the ORDER / AGREEMENT partly or entirely at any time, and to exercise all further rights and remedies stipulated in Paragraph 4.1.
- 4.9 GDELS-STEYR is at any time entitled to terminate the AGREEMENT in the whole or partially. In the event of such termination GDELS-STEYR shall have no liability to SUPPLIER for costs incurred by SUPPLIER except as may be agreed between the Parties in writing in an AGREEMENT or as stipulated below:
- 4.9.1 In case of a termination for convenience as set out in the above Paragraph 4.9 SUPPLIER's right to recover damages shall be limited to:
- a. the AGREEMENT sales price for finished but undelivered MATERIAL if manufactured in accordance with the AGREEMENT, and to costs of such related raw materials purchased by SUPPLIER up to the receipt of notice of termination, and necessary to be included in work specified under an AGREEMENT, but which cannot reasonably be used by SUPPLIER for any of SUPPLIER's other programs or products.
 - b. Payment for proven production labor costs for work in progress directly related to the fulfilment of an AGREEMENT, but only to the extent that such work in progress cannot be used for any of SUPPLIER's other programs or products.
- 4.9.2 Total payment in the aggregate under Paragraph 4.9.1 shall not exceed the price that SUPPLIER would have been entitled to receive in case of fulfilment of the non terminated ORDER/ AGREEMENT.
- 4.9.3 SUPPLIER shall provide reasonably sufficient documentation to prove the right to any payment stipulated under Paragraph 4.9.1
- 4.9.4 SUPPLIER may claim for payments under Paragraph 4.9.1 a. to b. only if SUPPLIER delivers all MATERIAL for which payment is demanded, free of any third party rights or claims
- 4.9.5 SUPPLIER has the obligation to support GDELS-STEYR to mitigate any costs for which GDELS-STEYR may be liable hereunder.
- 4.10 GDELS-STEYR may terminate the AGREEMENT at any time forthwith by written notice and without any liability for any costs or obligations to SUPPLIER if:
- a. SUPPLIER undergoes any change of ownership or change of Control (SUPPLIER being obliged to notify GDELS-STEYR within thirty (30) days of any such change); or
 - b. SUPPLIER ceases to do business, becomes unable to pay its debts as they fall due, becomes or is deemed insolvent, has a receiver, manager, administrator, administrative receiver or similar officer appointed in respect of the whole or any part of its assets or business, makes any composition or arrangement with its creditors, takes or suffers any similar action in consequence of debt or an ORDER or resolution is made for its dissolution or liquidation (other than for the purpose of solvent amalgamation or reconstruction), or any equivalent or similar action or proceeding is taken or suffered in any jurisdiction.
 - c. any condition arises or becomes apparent to GDELS-STEYR from which GDELS-STEYR may reasonably conclude that SUPPLIER may be in violation of any law or regulation that may have a material affect on performance of the

ORDER/AGREEMENT, or on the business or obligations of GDELS-STEYR or any of its affiliates.

- 4.11 The above rights of termination as defined under clause 4.10 a. to c. shall be in addition to, and not in lieu of, any other right of termination that GDELS-STEYR may have under the ORDER/AGREEMENT or under relevant law.

5. PARAGRAPH 5 - FORCE MAJEURE

- 5.1 Subject to the TERMS AND CONDITIONS contained herein, SUPPLIER shall not be liable under, nor be deemed to be in breach of the ORDER or AGREEMENT for any delay, interruption, or failure in performance under the ORDER or AGREEMENT that is caused by any of the following events, but only to the extent that such delay, interruption, or failure was not caused by the intentional acts or negligence of, and was beyond the reasonable control of, the SUPPLIER: acts of God; acts of civil or military authority; acts of unusually severe weather; strikes or labour disputes; acts of war, acts of the public enemy; terrorism; earthquakes or floods; fires or explosions; and any similar event. In order for SUPPLIER to be excused for any such delay, interruption, or failure in performance, SUPPLIER shall promptly give written notice to GDELS-STEYR specifying the nature and anticipated duration of the Force Majeure Event, and outlining SUPPLIER's recovery plan, and shall thereafter keep GDELS-STEYR informed of the status of the foregoing. During the period of non-performance by the SUPPLIER, GDELS-STEYR shall have the right to suspend its performance under the ORDER or AGREEMENT, including, without limitation, any payment obligations. In case SUPPLIER claims force majeure as a reason for the non fulfilment of his obligations under this AGREEMENT, GDELS-STEYR is entitled to inspect with his own means or let inspect if the non-fulfilment of SUPPLIER was effectively caused by force majeure.
- 5.2 In case of delays in delivery due to force majeure, the delivery dates may be postponed accordingly, but only by a maximum of two months. After this two month period, GDELS-STEYR is entitled at any time to cancel entirely or partly the ORDER / AGREEMENT without a penalty or cost of any kind.

- 6.1 The SUPPLIER shall supply all MATERIAL with identical specifications and dimensions regarding fit and contours, overall size and function as contained in the ORDER or AGREEMENT.
- 6.2 The SUPPLIER is obligated to report to GDELS-STEYR in writing all technical modifications and improvements, prior to implementation, if they have an impact on the specifications set forth in the AGREEMENT – as well as additional work on the MATERIAL and possible request for modifications from third parties, and to submit the related documents to GDELS-STEYR in a reproducible state.

- 6.4 The SUPPLIER shall keep updated for a period of at least 15 years, free of charge, any maintenance and spare parts documentation regarding the MATERIAL.

- 7.1 The SUPPLIER is obligated to supply to GDELS – STEYR, upon reasonable request, additional MATERIAL and related spare parts, for a period of at least 15 years after completion of the AGREEMENT, under similar conditions and at competitive prices. Accrued price increases and quantity will be considered when placing the AGREEMENT, it being understood that such obligation shall not create any obligation on the part of GDELS-STEYR to place any further AGREEMENT regarding such MATERIAL with the SUPPLIER. If SUPPLIER engages in manufacturing MATERIAL according to GDELS-STEYR's drawings or GDELS-STEYR's technology without being ordered to do so by GDELS-STEYR, he shall do so at his own risk and is not entitled to sell such MATERIAL to any third parties without the prior written consent of GDELS-STEYR in case that GDELS-STEYR should not order such MATERIAL.
- 7.2 Furthermore, the SUPPLIER is obligated not to terminate production of the MATERIAL and related spare parts after said 15 years without notifying GDELS-STEYR in writing six months in advance and accepting within such period additional ORDERS regarding such MATERIAL.
- 7.3 GDELS-STEYR is obligated to supply its end users and customers with spare parts for a period of at least 15 years after completion of vehicle deliveries, and the SUPPLIER shall use his best effort to supply interchangeable MATERIAL and related spare parts even beyond the period of 15 years set forth in Paragraph 7.1 when requested so by GDELS-STEYR.
- 7.4 The SUPPLIER agrees that in the event the ORDER / AGREEMENT is cancelled or in the event that the SUPPLIER fails or is unable to provide the support stipulated in Paragraph 7.1 to 7.3, the SUPPLIER shall immediately provide GDELS-STEYR at no costs with all drawings, data and technical information necessary for the manufacture of the MATERIAL and related spare parts, and GDELS-STEYR shall have the right to manufacture or have manufactured for it such MATERIAL and spare parts.

The right shall include the right of inspection of the SUPPLIER's records and books to the extent necessary for the supervision of the proper fulfilment of the AGREEMENT. In the event SUPPLIER possesses under the AGREEMENT goods in the ownership of GDELS-STEYR, GDELS-STEYR is entitled to check the inventory of such goods based on the above conditions.
- 8.2 The SUPPLIER warrants that GDELS-STEYR may exercise its right to inspect in the same manner vis-à-vis the SUPPLIER's subcontractors in case of subcontracting.
- 8.3 The same right to inspect shall also be granted to GDELS-STEYR's end users and customers to the extent necessary for GDELS-STEYR's end users and customers to verify the proper fulfilment of their agreement with GDELS-STEYR.
- 8.4 Exercising the right for access does not release the SUPPLIER in any way from his responsibility to manufacture and / or deliver the MATERIAL according to the agreed specifications.

9. PARAGRAPH 9 - QUALITY ASSURANCE / COMPLIANCE WITH LAWS

- 9.1 The SUPPLIER and his suppliers and subcontractors shall ascertain, through an adequate quality assurance system, that the MATERIAL will be produced, inspected and certified according to the specifications set forth in the AGREEMENT. The SUPPLIER will include to

The SUPPLIER has to make sure that only unused, completely functional MATERIAL is delivered, which is not negatively affected by storage.

In case the SUPPLIER has knowledge that the MATERIAL is faulty or has a potential weakness which could lead to a failure, the SUPPLIER has to inform GDELS-STEYR without delay in writing of such fault or weakness. After GDELS-STEYR's confirmation, the SUPPLIER has to replace the affected MATERIAL.

9.2 Failure to provide the requested quality inspection certificates may result in withholding of payments from GDELS-STEYR to SUPPLIER.

9.3 Quality certificates must be issued for each production lot, but at least once for each delivery lot and must be delivered to GDELS-STEYR with the MATERIAL and / or with the invoice.

9.4 The SUPPLIER, and the MATERIAL and services supplied / rendered by the SUPPLIER shall comply with all applicable laws, like as but not limited to equal rights of men and women, FCPA – Foreign Corrupt Practices Act, regulations, orders and ordinances including but not limited to regulations regarding war material (e.g. ITAR – International Traffic in Arms Regulations, EAR – Export Administration Regulations), and environmental and labour matters. SUPPLIER shall purchase MATERIAL only from 1) the Original Component Manufacturer (OCM) or Original Equipment Manufacturer (OEM), or 2) from a distributor that has purchased such MATERIAL directly from the OCM/OEM and is authorized in writing by the OCM/OEM to resell the MATERIAL. SUPPLIER shall not use or furnish counterfeit MATERIAL, nor MATERIAL purchased from other sources unless specifically approved in advance and in writing by GDELS-STEYR.

c) In performing this AGREEMENT, SUPPLIER shall maintain and follow written policies, reasonably acceptable to GDELS-STEYR and, if applicable to GDELS-STEYR's Customers, for the detection of counterfeit MATERIAL and the traceability of the MATERIALS used in performing this AGREEMENT to the OCM/OEM.
